

For control and energy cost allocation system SYNERGYR® : OZW30 / WRI.. / QAW..

Mounting kit for WRV83 replacement**ALG83WRI**

Using the ALG83WRI, a WRV83 valve can be hydraulically replaced by a heat meter without having to modify the existing piping.

The ALG83WRI consists of 2 threaded adapters (from ¾" to 1"), an immersion sleeve and the necessary sealings.
